Subject: **Water shut off - September 15-16, 2017 (9 pm to 8 am)**

Good afternoon,

We will be shutting off our water on Friday night to make some plumbing repairs.

Please note that water will be shut off to the building between Friday September 15th at 9:00 pm through Saturday, September 16th at 8:00 am. There will be no water or AC during this time.

We kindly request that you plan for this water shut off and schedule meetings, special events, etc... accordingly. Fortunately the work can be performed overnight and should have minimum impact on your business. Thank you in advance for your cooperation.

Please feel free to contact me at (213) 624-5085 or Omar at (213) 434-1832 should you have any questions or concerns.

Please let me know if you have any questions.

Thanks,
